

## **6<sup>th</sup> Annual SCFOA Hall of Fame Golf Tournament**

Greetings from the SCFOA Hall of Fame!

The Snohomish County Football Officials Association (SCFOA) is a group of men who donate their time giving back to youth and students in greater Snohomish and King Counties. For the past 37 years, these officials have created a committee, known as the Hall Of Fame, which sponsors an event that recognizes scholar athletes within areas they service. These individuals are awarded with scholarships based on their abilities, not only on the football field, but also within their communities and academia. This event awards five scholarships to selected nominees from coaches and athletic directors.

Increasingly, with the economy and inflation, we have recognized the need to increase the scholarship amounts. Currently, we award four \$2000 scholarships, and three \$3000 ones. These amounts don't last long for students. In an effort to grow and develop the annual SCFOA HOF Scholarship program, our association is holding an auction event to raise money to help increase these awards. We are really looking forward to making this a remarkable event, and doing all we can to help scholar athletes throughout our region be successful in continued education.

We have set a goal of raising **\$15,000** via the efforts of this year's event. That is a lofty, but attainable, goal. In order to make it, we need help from people and companies like you! This letter is requesting your sponsorship to make this event a success, and aid in reaching our fundraising goal. Please remember that the money funds scholarships for local athletes who have given back to their communities while achieving remarkable educational accolades.

We have realized a large demographic of our donors are golfers. It would be sincerely appreciated if your business could help out philanthropically with a donation, in the form of product or credit, which might yield higher gains for our bidders. Our Non-Profit Corporation UBI # is 601050372 (exp: 10/31/19), if needed for tax purposes. Your consideration and prospective donation is greatly appreciated. Thank you for helping make this event a success and helping to stimulate our cause.
